

FEET LEVELERS

RUBBER COATED ADJUSTER - SMALL

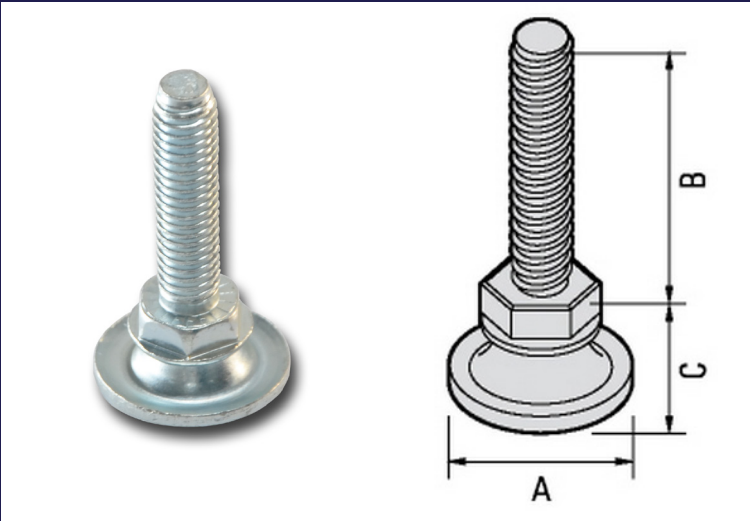

Part Number	A	B	C	Steam Spec.
KW107-RCA	38	50	21	1/2 x 12 UNC

Pipe leveling feet are an essential component in a variety of industrial and commercial applications where stability and balance are critical.

These ingenious pieces are designed to perfectly fit tubes of different diameters, providing a level of adjustment and stability that is crucial in demanding working environments.

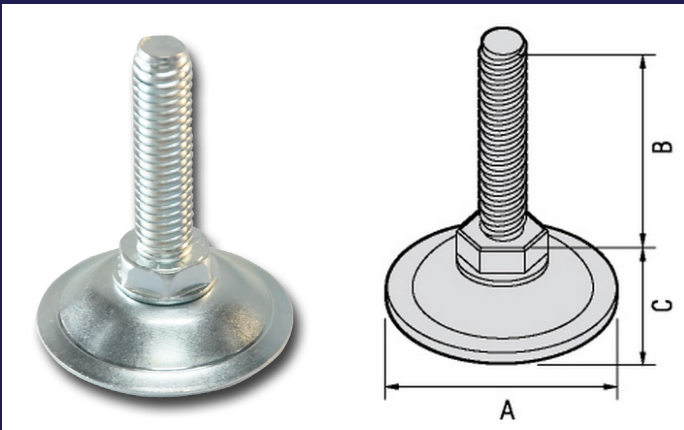

ADJUSTER - SMALL

Part Number	A	B	C	Steam Spec.
KW107-AS	38	50	19	1/2 x 12 UNC

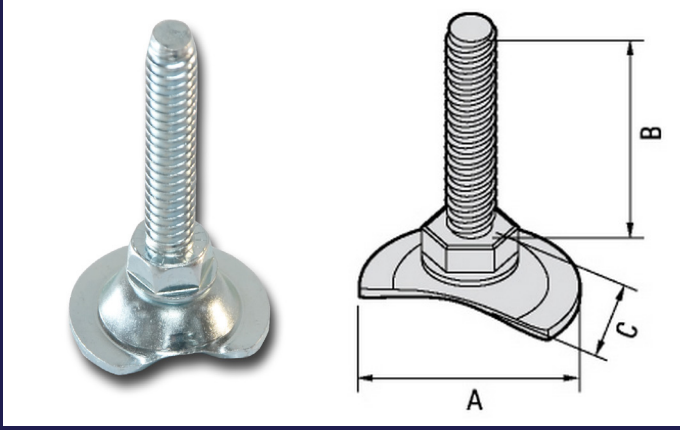

ADJUSTER - LARGE

Part Number	A	B	C	Steam Spec.
KW107-AL	55	50	20	1/2 x 12 UNC
KW107-AL-100	38	100	20	1/2 x 12 UNC

ADJUSTER - SEMI CIRCLE

Part Number	A	B	C	Steam Spec.
KW107-ASM	42	50	20	1/2 x 12 UNC
